Model(s): XSG0750800US  
Regulation/Standard: US DoE: Office of Energy Efficiency and Renewable Energy 10 CFR Parts 429 and 430

Dear Valued Customer:

Any information and documentation involving UL Mark services are provided on behalf of UL LLC or any authorized licensee of UL.

All testing work associated with the above referenced project has been completed. Please see the attached data results.

Please be informed that UL LLC neither selected the samples nor determined whether the samples were representative of production samples. The test results apply only to the actual samples tested.

The issuance of this Report in no way implies Listing, Classification or Recognition by UL and does not authorize the use of UL Listing, Classification or Recognition Marks or any other reference to UL on or in connection with the product or system. This test report and data are intended solely for your internal use. You cannot use this test data or UL's name or marks in connection with any product, packaging, advertising, promotion or marketing without UL's prior written permission.

In no event shall UL be responsible to anyone for whatever use or nonuse is made of the information contained in this Report and in no event shall UL, its employees or its agents, incur any obligation or liability for damages, including, but not limited to, consequential damages arising out of or in connection with the use, or inability to use, the information contained in this Report.

Thank you for the opportunity to provide your company with these services. Please do not hesitate to contact us if you should have any questions or comments

Sincerely,

Handwritten signature of David Piecuch in black ink.
